MESSAGE

The 2nd Indian Cancer Congress (ICC 2017) is an amalgamation of four major national oncology associations and all sub-specialty associations to improve the quality of cancer care in the country. On behalf of the Organising Committee, we welcome fellow members of the local and national organizations. We cordially invite you to participate in the second chapter, which will be held in Bengaluru, The Silicon Valley of India. However as oncologist, I am sure all of you will also appreciate that Bengaluru has contributed significantly in some of the revolutionary changes in the field of medical education and it has also united scientists and oncologists for the advancement of medical sciences.
